Registration at your iTerp account in late May!
International Student Orientation - Event Descriptions

Required Events

F-1/J-1 IMMIGRATION SESSION
Attendance at one ISSS Immigration Session is mandatory for all international students.

To accommodate students’ varying arrival dates and schedules, this session is repeated multiple times during August. One session is unique to J-1 Students. You must register for your preferred date in advance (via iterp.umd.edu).

Session Topics:

1. Immigration regulations that impact you at UMD and tools to help you maintain your legal F-1/J-1 status.
2. New Student Tasks and Resources guide, including how to activate your F-1/J-1 SEVIS record.
3. Get a chance to meet other international students and ISSS staff who are here to assist you during your stay.

IMMUNIZATION CLINIC
All new students are required to submit an Immunization Form to the University Health Center (UHC). If you have not yet done so, you must submit your form via UHC website. If your form is incomplete, you may complete the missing tests at UHC, but you must get insurance first.

Not submitting your form blocks your class registration next semester.

NEW STUDENT ORIENTATION
This event is required for all new undergraduates, domestic and international. It is where you register for classes. You must register separately with the Orientation Office at http://orientation.umd.edu/international.html. You can choose from a variety of dates, depending on the college you are admitted to. August 20 and 21 are the two most popular dates for international students.

We look forward to meeting you!
