H-1B Termination Notice

The federal government requires the University of Maryland to notify the Immigration and Naturalization Services when an H-1B visa holder is dropped from our payroll or leaves our campus. Because entering a termination date in the ARS system does not alert ISSS that this action has taken place, it is imperative that our office be informed via this form.

It is important that you complete this form immediately when you learn that a scholar or researcher in H-1 status will leave the campus. ISSS will then inform the appropriate federal agencies that this visitor is no longer under our jurisdiction.
