The great virtues of the Internet have now been weaponized by far-right extremists, who have moved their communications, propaganda, recruitment, and training into cyberspace. Dr. Weimann will illustrate the use of online platforms by far-right terrorists and antisemites, including during the current pandemic. A question and answer session will follow the lecture.

Dr. Gabriel Weimann
Thursday, April 30, 2020
1-2:15pm ET
